

### EXTENDED DAY

Care is available and required for students staying after school through 6<sup>th</sup> grade. Students enrolled in an Exploration class who will be picked up at the conclusion of that program do not need to enroll in Extended Day for that day. Students who need to stay after the Exploration class must enroll in Extended Day but should use the appropriate discount code to reduce the cost due to their enrollment in Explorations. Enrollment in Extended Day may be selected in a variety of ways:

- All Days for the Spring Session. Covers every regular school day of the spring. May pay in full or through a payment plan.
- Day of the Week (ex. all Tuesdays of spring) - May pay in full or through a payment plan.
- By the Day. For those who need care less frequently.
- Faculty/Staff Professional Development Days - All-day care is available from 7:30AM - 6:00PM.

### EXPLORATION + EXTENDED DAY DISCOUNT

If you are registering for an Exploration or Music class and need care beyond that class time, please also register for Extended Day for the same day at a discounted price. The more days you sign up for, the higher the discount. Based on the number of days you register, please use the below codes, and apply the code on the last day of care when registering. For example, if you register for three days of Exploration classes and Extended Day, on that third day, you will input code: "THREEDAYS" to receive a \$325 discount on care. If selecting five days of care and three days of Exploration classes, you would still use the code "THREEDAYS" on the last day selected of care. Codes and discounts are listed below. For questions about Extended Day or discounts, please email [Extend@Parish.org](mailto:Extend@Parish.org).

- **One Day**
  - Code: "ONEDAY"
  - Discount: \$100
- **Two Days**
  - Code: "TWO DAYS"
  - Discount: \$225
- **Three Days**
  - Code: "THREEDAYS"
  - Discount: \$325
- **Four Days**
  - Code: "FOUR DAYS"
  - Discount: \$425
- **Five Days**
  - Code: "FIVEDAYS"
  - Discount: \$525
